Action taken Report

2023-24

The institute formed a functional feedback committee to collect feedback data from students, Teachers, Alumni, and Parents. Evaluation is done on a point scale. To improve quality in the institution, resolutions are made in IQAC meetings, and the administration follows up with action.

Suggestions	Action Taken
Strengthen the instruments in practical laboratories.	All labs are adequate equipped with instruments.
Provision of cold drinking water facility.	The suggestion was noted and it will be available from new session 2024-25.
Invite to alumni who have attained notable achievements to inspire students.	This suggestion has been noted. Alumni invited as when required time to time.
Organize more workshop for competitive exams & Carrier Guidance	The carrier guidance and placement cell, arranges various workshop for students.
Toilets should be Cleaned regularly	Toilets and washrooms are regularly clean once in week.
More Sports Instruments Required in the Sports department.	This suggestion has been noted. The demand is under consideration and it will place before management.
Girl's common room should be cleaned regularly.	The cleanliness and hygiene of girl's common room is maintained on regular basis.
Vehicle parking shade and classroom furniture are required.	The demand is under consideration and it will place before management.
More classrooms are required, and more unit tests and pre-exams should be conducted before the University exam to improve results.	All the departments take unit tests on each unit. The demand for pre-exams before the university exam is under consideration.
Some extracurricular activities and knowledge are required regarding study & technology to improve student interest in study.	The Faculties of Science, Arts, and Commerce conduct Extra-curricular activities from time to time & give updated information regarding study and technology, which can help to boost students' academic performance.
Increase the number of computers in the library and in a computer lab.	The demand is under consideration and it will place before management.
