

Title of the Practice: I : Tree Plantation Programme.

Objectives of the Practice

Our Institution is one of the big campus in the Chimur having 5.23 Acres and it has lot of rare variety trees Trees and other medicinal Trees and herbs are available in the campus. The mission is to sensitize and empower people to give back to nature and live in an environment conducive to their health and well-being. Say Trees inspires the students to spare just a few hours on weekends and work towards making their cities, and their lives greener. For more than 15 years, our NSS Team is working untiringly with student volunteers and staffs to change the landscape in our Institution. The Eco Club and department of Botany has organized the tree plantation in the auspicious occasion of Teachers Day, Environment Day and Farmers Day in collaboration with Botany and Environment science department in the college premises. Our long term plans entail taking tree plantation drives to more number of cities and inducting many more tree enthusiasts, particularly student communities, to be able to amplify both scale and impact of our efforts. It has been observing by the students that nature has been changing itself very tremendously as we are responsible for this major change because of building and constructive more and more cities and town. So, the nature becomes unbalanced and disturbed that's why the concentration of oxygen in the air has change. Therefore, it is our responsibility to maintain this balance by following the given objectives:-

- To ensure more Tree plantation drive of different fruits and other Medicinal plants & rare plants.
- To overcome the problems of global warming and to recover from various changes
- To promote tree Plantation programme, it is our duty of ours to aware more and more students to take part in it.

- To enhance the values of plants and environment among the students during their study.

The Context

The very noble objective of “Tree Plantation programme is to save our planet and mother earth by plantation” with under given points:-

- To rising up the level of students thinking regarding tree plantation and its importance.
- To create the interest among the students regarding the values of trees and plants.
- To inculcate the programme of plantation and to alter the effect of climate change, every student at freshers day are provided with plant sapling to be sown in the college premises.

The Practice

It is the important duty of students plant more and more trees, herbs and climbers because these are the carriers of rain and cloud. Only the nature has capacity to turn up the balance of nature to produce more oxygen, but it is only possible when our surroundings are full of trees and plants. In this event medicinal plant like *Cesalpineia* sp. (Gulmohar), *Plumeria* (Chapha), *Cassia fistula*(Amaltash), *Tabiebua rosea*. *Azadirachta indica* (Neem), *Albizia odoratissima* (Black sirish), Avenue plant like *Saraka asoka* (Ashoka), *Delonix regia* (Gulmohar) etc. were planted.

This type of tree plantation Programme is only possible when our new generation become more sincere and active towards tree plantation. This tree plantation makes the points of success, it is sure and certain that our nature will be in balance and the life of the people can be happy & prosperous. So, we should plant more & more trees and protect them for the future of new generation.

Evidence of Success

Currently we are having more than 100 trees planted and it is well grown and key impact in the climatic change control and more oxygen is there inside the campus and the carbon limit is much minimized in the Campus. This is the evidence of success and we have made very sincere

Tree plantation and this plantation work provoke the students and inspired them to go quickly on the path of plantation for the balance of the nature & up-gradation of environment. It is the result of the Programme that more than 70% student participated in the programme of the plantation started by college & administration.

Problems Encountered and Resources Required

Due to some heavy rain few trees branches are broken and few students avoid the programme and deny such types of activities, but our experienced faculties convinced them and ultimately they agreed for the plantation work for the next year they too realized the value and importance of the nature and environment. The senior students are convincing the junior students like the chain and more number of students are coming forward to plant more trees as a part of NSS activities.

देशोन्नती वृत्तसंकलन...

चिमूर = चमूर येथील ग्रामगीता महाविद्यालय येथे जागतिक पर्यावरण दिनानिमित्त काल ५ जून २०२३ रोजी ग्रामगीता महाविद्यालयाच्या प्रांगणात वृक्षारोपण करण्यात आले. गुलमोहर, कॅसिया, अमलतास, जामुन आदी झाडे लावण्यात आली.

वृक्षारोपणाच्या वेळी महाविद्यालयाचे प्राचार्य डॉ. अमीर धमानी यांनी आपला मत व्यक्त करताना म्हणाले की, या वर्षी जागतिक पर्यावरण दिनाची थीम 'बीट प्लास्टिक पोल्यूशन' असून

आजच्या जीवनात आपण पूर्णपणे प्लास्टिकवर अवलंबून आहोत.

आपण प्लास्टिकचा वापर कमी करून प्लास्टिकच्या पुनर्वापरावर लक्ष केंद्रित केले पाहिजे. महाविद्यालयातील वनस्पतीशास्त्र

विभाग, पर्यावरणशास्त्र विभाग आणि इको क्लबने वृक्षारोपण करण्याचा उपक्रम हाती घेतला. या कार्यक्रमात महाविद्यालयातील शिक्षक व शिक्षकेतर कर्मचारी उपस्थित होते.
