### **Report of Industrial Visit to CSIR NEERI**

The tour was organised Gramgeeta Mahavidyalaya, Chimur for the under graduate students of B.Sc. II and B.Sc. III to the CSIR NEERI, Nagpur and Regional Forensic Science Laboratory, Nagpur on 01.02.2018 to make them aware of R & D activities in chemistry and environmental science. There were total 38 students and 3 faculty members visited the institute.

The visit started with CSIR NEERI Audio Visual at auditorium. Mr. Prakash Kumbhare, briefed the students with the research work carried out in NEERI and then students visited the Permanent Exhibition centre. He emphasized that there is a close co-ordination between science, engineering and Industry and specially the branch of Chemistry and Environmental Science.

The students then visited the Environmental Virology Cell, Analytic Instruments Division, Environmental Biotechnology and Genomics Division and Wastewater Technology Division. In the analytic instrument division students seen the various analytical instruments used in measurement of various parameters.

The visit was very beneficial and interesting for the students as they got an opportunity to interact with NEERI scientist during their visit. The visit was planned by and executed by Mr. Humeshwar Anande Asst. Professor Dept. of Chemistry, Mrs. Varada Khati and Mr. Yogesh Sontakke under the guidance of Dr. Amir Dhammani, Principal, Gramgeeta Mahavidyalaya, Chmiur and cooperation for this endeavour by the B.Sc. students.

### **Report of Visit to Regional Forensic Science Laboratory, Nagpur**

The tour was organised by Gramgeeta Mahavidyalaya, Chimur for the under graduate students of B.Sc. II and B.Sc. III to the CSIR NEERI, Nagpur and Regional Forensic Science Laboratory (RFSL), Nagpur on 01.02.2018 to make them aware of R & D activities in chemistry and environmental science. There were total 38 students and 3 faculty members visited the institute.

The visit started at 2.15 pm on 01.02.2018. The Forensic Science Laboratory Nagpur is a dynamic multi-disciplinary organization which aids the legal system with its advance infrastructure. The various divisions of RFSL such as chemical, physical, biological, questioned documents and forensic psychology divisions are responsible for timely delivery of the expert opinion.

The visit was very beneficial and interesting for the students as they got an opportunity to interact with scientist during their visit. The visit was planned by and executed by Mr. Humeshwar Anande Asst. Professor Dept. of Chemistry, Mrs. Varada Khati and Mr. Yogesh Sontakke under the guidance of Dr. Amir Dhammani, Principal, Gramgeeta Mahavidyalaya, Chmiur and cooperation for this endeavour by the B.Sc. students.
