**Subject:-** Conducting Orientation Program in your college to commence the Youth Empowerment Program-“Yuva Sashaktikaran”.

Respected Sir/Madam

We hope this letter finds you well. We at Maargeen Consultancy Pvt. Ltd are writing to request your esteemed college's support and cooperation in conducting an orientation session to kick start our program “Yuva Sashaktikaran”, as specified in the Memorandum of Understanding (MoU) signed between our organizations.

The objective of the orientation session is to familiarize students with the concept, objectives, and activities of the youth empowerment program. Our experts will guide the participants, providing valuable insights and empowering them with the necessary knowledge and resources to overcome the challenges faced by today's youth. This will be an interactive platform where students can learn about the various components of the “Yuva Sashaktikaran”, understand its significance in their personal growth, and explore the benefits it offers. It will also serve as an opportunity for students to engage in discussions, ask questions, and clarify any questions they may have regarding the program.

To ensure the success of the orientation session, you are kindly requested to provide the following facilities:

- i) Auditorium or Large Hall: We require a spacious venue to accommodate a significant number of participants, preferably an auditorium or a large hall. This will provide a comfortable and conducive environment for the orientation session.
- ii) Sound System: A well-functioning sound system with cordless microphones is essential for effective communication during the orientation session. You are kindly requested to ensure the availability of a sound system to ensure clear and audible presentations and discussions.
- iii) Projector and Screen: To facilitate visual aids and presentations, we would greatly appreciate the provision of a projector and screen. This will enable our experts to share informative slides, videos, and other relevant materials with the participants.

As the session concludes, we plan to commence the registration process, enabling interested students to register in the “Yuva Sashaktikaran”. This will ensure a seamless transition from the orientation session to the active participation of students in the program.

To commence this, we kindly request your assistance in identifying approximately 10 volunteers from the first and second year of college to support us during the orientation session. These volunteers will play a vital role in various tasks, such as event management, registration and guiding participants. Their involvement will ensure the smooth execution of the program and enhance the overall experience for attendees.

We kindly request your prompt attention to this matter, as we aim to initiate the program on 25/08/2023 at 11:00 am. Please let us know if there are any specific guidelines or procedures we need to follow to obtain the requested facilities.

Thank you for considering our request, and we eagerly anticipate your positive response. Should you require any further information or clarification, please do not hesitate to contact us at +91 865 593 0842/ +91 775 887 2733.
