problem of global warming and to recover from such problem planting the tree is become one of the most important aspects today.

In this event medicinal plant like *Azadirachta indica* (Neem), *Albizia odoratissima* (Black sirish), Avenue plant like *Saraka asoka* (Ashoka), *Delonix regia* (Gulmohar) etc. were planted. Total 50 saplings were planted in the college.

The program cannot be successful without contribution of all teaching and non-teaching staff of our college.

At the end of the program an oath was taken by us that we must take care about the saplings and should not cut tree ruthlessly.
